

Train the Trainer

Would you like an International Certificate in Training and Assessing?

Gain qualifications by enrolling in the Certificate IV in Training and Assessment.

TAE40110 CERTIFICATE IV IN TRAINING AND ASSESSMENT

The TAE40110 Cert IV in Training and Assessment is an essential qualification for those looking to enter roles involving the delivery of coaching, training and assessment services in the workplace and the vocational education and training sector.

It is particularly targeted towards those who are currently trainers, educators or workplace assessors or those who are entering the education field. This qualification reflects the roles of individuals delivering training and assessment services in the vocational education and training (VET) sector.

This qualification is a requirement of the Australian Quality Training Framework Essential Standards.

Upon successful completion of the course participants will have gained a range of skills enabling them to design, deliver, manage, assess and review training programs. Job roles associated with this qualification relate to the delivery of training and assessment of competence within the VET sector. Opportunities for employment relevant to this qualification include:

- Delivery of International Australian Diploma of Business in China (you must hold Business degree – read, write & speak fluent English)
- Enterprise Trainer
- Registered Training Organisation (RTO) Trainer
- RTO Assessor
- Enterprise Assessor
- Training Advisor or Trainer Needs Specialist
- Vocation Education Teacher

Our intensive 7 day training workshops covers skills such as communication, mentoring, evaluating others in learning programs, personal perceptions and the interpretation of client needs.

Why choose Auspac Business Advantage?

Our Trainers

Workshops are delivered by professional, highly experienced and motivated trainers. Trainers will guide you through all competencies during 7 days of intensive learning workshops in groups of 10 or more.

Extra Value

Our internationally recognised qualifications are affordable, provide excellent value for money and provide you with excellent pathways to further education in Australia at tertiary level including the University of Queensland and the University of the Sunshine Coast. In addition you will have a qualification that is internationally recognised, which demonstrates your business skills to the global market, increasing your opportunities to work in or with worldwide organisations.

Successful Career Pathways

Practical, dynamic and intensive, the Certificate IV in Training and Assessment opens career pathways into a number of professional roles such as Learning and Development Manager, Training Manager, Human Resources Manager, Professional Trainer, Team Leader, Trainer and Assessor and Department Manager.

Platinum Extra

We also offer Study Tours for students and their families. Over 7 days you will have the opportunity to tour various areas of Brisbane and the Sunshine Coast. Day One includes cultural training so that you will feel comfortable in the Australian environment. A welcome dinner will be held at China Town after a day sightseeing tour of Brisbane, visiting iconic buildings such as Parliament House, the Storey Bridge and Mount Coottha Lookout to view the breathtaking panorama of Brisbane City.

The following days include visits to the University of Queensland, the University of the Sunshine Coast, and an International Co-educational day school. Accommodation will be at Mooloolaba Mantra Resort or similar which is walking distance to the beautiful Mooloolaba beaches. A trip to the world famous Australia Zoo is included, a visit that is not to be missed. A trip to the Blackall Range at Montville includes Mary Cairncross Park Reserve and a lunch viewing the remnants of the lush green rainforests and waterfalls.

The tour then heads to Noosa, a world famous beach where foods include local tropical fruits and seafood Australia is renowned for. An indigenous workshop with the "Dilli" bush tucker lady and hands on activities is built-in. A shopping visit to Eumundi Markets displays a diverse range of art, craft and home made goods, entertainment and local produce.

Further English education classes are offered for one hour each day. Accommodation is at 4 star Outrigger Resort or similar. This is an amazing experience, which should not be missed. Available for groups of 10 or more.

BSB50215 DIPLOMA OF BUSINESS

This qualification reflects the roles of individuals with substantial experience in a range of settings who are seeking to further develop their skills across a wide range of business functions.

At the completion of this qualification individuals will be able to manage in a wide range of organisational and industry contexts. Job titles may include: Project Officer, Personal Assistant, Executive Officer, Office Manager, Program Consultant, Team Leader, and Administrator.

The Diploma of Business is completed over an eight month period, with a one day workshop each month, covering skills such as conducting business research, consulting with others, liaising with stakeholders, team work contribution, risk management, identifying opportunities, developing strategies, managing change, and time management.

BSB51915 DIPLOMA OF LEADERSHIP AND MANAGEMENT

This qualification is for individuals who are engaged to manage the work of others or to add value to management practices.

It requires a sound theoretical knowledge base and managerial competencies to plan, carry out and evaluate your own work or the work of a team.

At the completion of the Diploma of Management, individuals with this qualification would qualify for employment in roles such as: Business Management, Department Manager, HR Manager, Site Manager, OHS Manager, Project Manager, Customer Service Manager.

The Diploma of Management is completed over an eight month period, with a one day workshop each month, covering skills such as communicating to promote organisational goals and objectives with stakeholders, information search and assessment, developing plans, leading, motivating and supervising team members. In addition identifying network opportunities and time management are covered. The use of business technology to access and manage information as well as learning how to participate in professional networks is included.

Opportunities are open to all English speaking, reading and writing students, teachers, business people and those that would like to further their education and receive an international certificate.
